

Dans une housse,  
il y a...

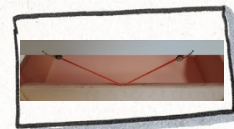

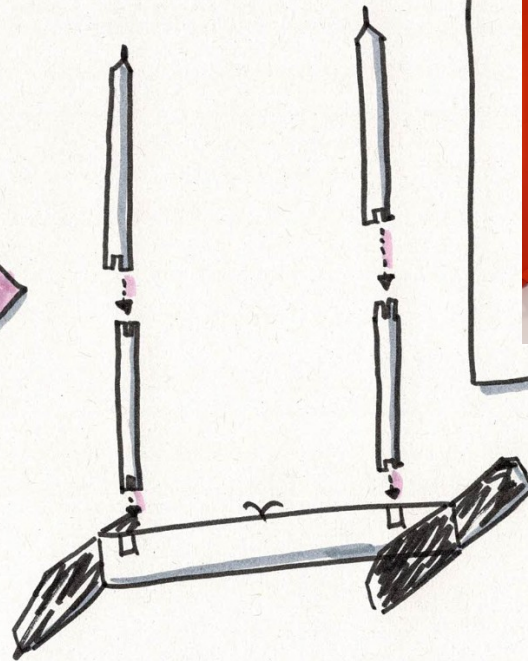

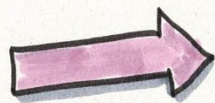

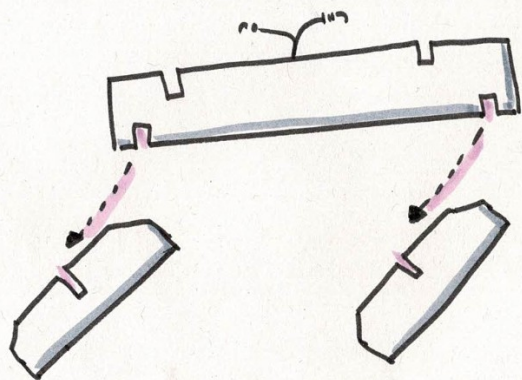

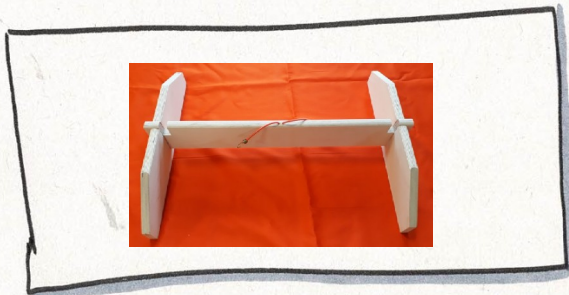

+

①  
J'installe le pied...  
les doigts dans le nez!

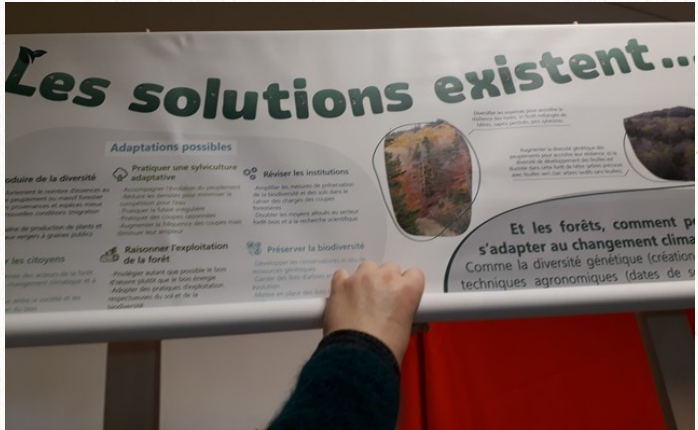

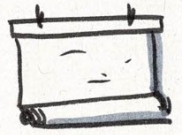

②  
J'ajoute les montants...

③  
J'encoche et je tend la bâche...  
c'est prêt!

Pour démonter...

...sans abîmer!

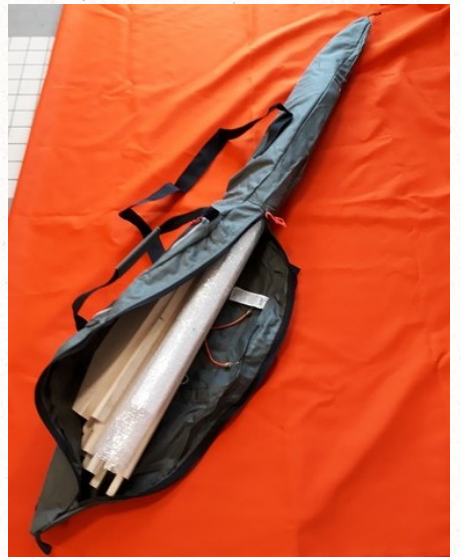

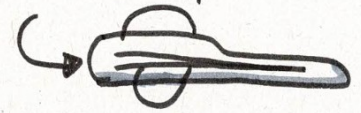

Je décroche  
et  
j'enroule la bâche...

Je l'enveloppe  
douillettement

et hop!

Bon voyage...

... Sans la froisser!
